

SUPER EASY PILLOWCASE PATTERN

MAIN PIECE 27" x 41" (3/4 YARD)
BORDER PIECE 10" x 41" (1/3 YARD)
ACCENT STRIP 3" x 41" (1/8 YARD)

Cut pieces as follows:

Main 27" X 41"

Border 10" X 41"

Accent 3" X 41"

1. Place 10" border piece face up on table.
2. Place main piece of pillowcase face up - lined up with border piece with all raw edges matching at the top.
3. Press the 3" trim piece in half the long ways and place face up on top of Main piece. All raw edges match at the top.
4. Roll the main fabric from the bottom up and then fold the border piece up to the top and pin all raw edges together.
5. Stitch $\frac{1}{2}$ " along the edge. You now have a tube of fabric. Turn the tube inside out. And like magic your pillowcase is nearly finished with no raw edges and a completed edge on the front and back.
6. Finish the side seams and bottom seams with a serger or do a French seam so you have no raw edges on the inside seam. To do a French seam put the pillow case wrong sides together and sew a $\frac{1}{4}$ " seam, then put right sides together and sew a $\frac{1}{2}$ " seam.

Congratulations you now have a beautifully finished pillowcase.
