

## SMALL BEAR

1. Cut 2
2. Trace/mark eyes and nose to front then apply face by:  
(choose your method)
  - A. paint on with acrylic paint, let dry  
(test on scrap fabric first)
  - B. use permanent marker (Micron or Sharpie)
  - C. embroidery floss (3 strands of black)
  - D. applique

Tip - When using method A or B place paper under bear head to absorb excess paint/ink. Allow to dry thoroughly then iron to heat set.
3. Place right sides together. Sew around bear using 1/4 seam allowance, leave a 2 inch opening near the leg/hip area.
4. Trim seam to 1/8
5. Turn bear inside out
6. Optional - lightly stuff ears then sew along dotted line indicated on the pattern.
7. Fill with poly-fill/fiberfill.
8. Sew opening closed using a ladder stitch.
9. Cut a 15" ribbon (3/8" or 1/2") and tie around bears neck. Finished!
