

TRICK-OR-TREAT BAG

From Halloween fabric and coordinating fabrics cut:

two 11" x 12" pieces for the bag
two 11" x 6" pieces for the cuff
two 20" x 3" pieces for handles

Prepare Handles:

Fold 20" piece in half long ways, wrong sides together – iron on fold. Open and fold each side into center – iron. Refold in half so raw edges are inside – iron. Stitch handle closed on both long sides. On front of bag, lay handle with short end even with top of bag and 3" from each side – pin in place. Repeat on back of bag with other handle.

Prepare Cuffs:

Fold 6" piece in half long ways with wrong sides together – iron on fold. Place one cuff over handles with right side to front of bag and raw edge even with top edge of bag – pin. Sew across top of bag with 1/4" seam. Iron salvage edge down. Repeat on back of bag.

Finish Bag:

Place front and back of bag together with rights sides together – pin edges, matching up cuffs and top. Trim bottom if needed. Sew 1/4" down both sides of bag and across bottom. Clip corners, turn right side out. Press. Pull handles up so they lay from the bag across the cuff. Stitch 1/4" around top of cuff which will secure handles in place.

You are ready to collect your Halloween treats!
