

EVEN MORE SUPER EASY PILLOWCASE

(A) MAIN PIECE	27 X 42 (3/4 YD.)
(B) BORDER PIECE	10 X 42 (1/3 YD.)
(C) ACCENT STRIP	3 X 42 (1/8 YD.)

1. Press C (the accent strip) wrong sides together, in half the long way.
Open and lay right sides together on top of A (the main piece).
2. Sew along pressed line and then press so that all three raw edges are aligned.
3. Layer in order:
B (right side up)
A (with attached C) right side up on top of B (right side up).
Line up all four edges (B, A with C) and pin.
4. Roll the main fabric from the bottom up.
Bring the border piece (B) up around rolled A and C to the top.
Adjust pins to secure all raw edges together.
5. Stitch along the edge, then turn inside out.

Stitch a French seam or serge the edges together.

.....(For a French seam: first sew with wrong sides together (1/4"), then sew with right sides together (3/8").
